

**School District of Osceola
Request to Decline Transportation Form**

Dear Parent /Guardians:

In order to improve transportation service to all students, we are trying to identify those who are not using school bus transportation this coming school year. We are asking all parents/guardians to complete the form below, only if your student(s) will not be using school bus transportation this coming year, and return it to our office. This information will allow us to identify those who ride regularly. If you indicate your student(s) will not be using transportation services, and at some point during the school year this changes, please call us at the Transportation Office at 715-294-3456 and bus service will be arranged.

The form can be returned to us by mail, fax or dropped off at your student’s school office.
